Sir,

EDUCATION - Secondary - Malabar District Board - Board High School, Pattambi - Acquisition of land and Buildings - Subsidy - Payment - Requested.

--:o:--

(M) 13-1954

In G.O.Ms.No.1377 Edn., dated 6--6--1951 ... not exceeding Rs.50,000/- was promised to the ... in three annual instalments of Rs.25,000/- each towards the ... expenditure on improving the deficiencies noticed in the ... of the Malabar High School, Pattambi. The District Board took over the management of the High School from 1st ... The acquisition of the existing site and buildings on it ... to be not desirable for several reasons and hence the Board ... to acquire the land and buildings of the C.K.Nair High School. In this office P.D:A.4.4407/51 dated 17--11--1951 (copy ... the necessity for acquiring the site and ... was clearly explained and the Director of Public Instruction was requested to recommend to Government ... payment of the first instalment of the special subsidy of Rs.25,000/-. The District Board in its urgent meeting held on 4th December 1951 sanctioned the acquisition of the site and buildings of the C.K.Nair High School, Pattambi and copy of the resolution was forwarded to the Director of Public Instruction in this office reference A.4.4407/51 dated 11--12--1951. But in his Roc.No. No.3285-C4/51 dated 5--4--1952 the Director informed the District Board that subsidy towards the cost of acquisition can be recommended for payment only when the District Board actually incurs the expenditure and that the Government may be addressed detailing the necessity for the alternative site proposed for acquisition and for payment of the subsidy after the District Board actually deposits the cost of the site into the Treasury.

2. The acquisition has reached the stage of ... enquiry. The Sub Collector, Ottappalam, who is the Land Acquisition Officer has informed me that the Award ... on 10-12-1953 and has requested the Board to ... the cost of acquisition amounting to Rs.42,951--12--3 ...

15--12--1953. The Board's present financial position is so bad that it is unable to pay the land acquisition charges, out of its funds. Unless Government are pleased to sanction the special subsidy of Rs.50,000/- promised I fear that it may not be possible for me to deposit the amount in the treasury for want of funds in the general funds. I am addressing the Land Acquisition Officer for two months' time to deposit the amount in the hope that Government will be pleased to sanction the subsidy in the meanwhile.

3 I request that in the circumstances of the case Government may be pleased to pass early orders sanctioning payment of Rs.43,000/- as special subsidy towards the cost of acquisition charges to enable me to pay the compensation intimated by the Land Acquisition Officer.

Subsidy - District Board - Coimbatore - Board High School Pattambi - Improvements to the school premises - Acquisition of the extra site - Payment of subsidy - Particulars.

Ref:- i. G.O.No.1397 Education, dated 6--6--1951.
ii. Your Lr.No.3300-4-51 dated 27--10--1951.

The original proposal of the Board was to acquire the existing school site which 5 more acres to provide a suitable playground to the school, and to improve the existing temporary buildings by converting them into semi-permanent ones. But it was found that the Hon'ble Minister in charge by the body which had before the transfer of management to this District Board, had promised permanent sites to the premises and that it had only a simple tenancy right under a lessee from the Jenmi. There were other complications also in regard to the title to the land. Moreover as the land proposed to be acquired for playground there are a number of dwelling houses the acquisition of which will be costly and result in considerable hardship to the occupants. The foundation of most of the temporary sheds in which the school is now held were also found to be defective, and the buildings have to be completely demolished and rebuilt. All these would result in huge expenditure and it was therefore proposed to purchase from Sri K. Narayanan Nayar, the buildings (with 10 acres of land) that have been put up in the near vicinity of the High School for running a High School (the C.K. Nayar High School, Pattambi) the recognition of which was subsequently secured from Government. Action in this direction was taken also to have them acquired by private negotiations, as this was considered more advantageous and would enable the Board to get quick possession of the premises. But this proposal did not materialise as the owner did not come to terms. He was not prepared to sell his rights on the valuation fixed by the Engineering Department. The only course then left open to the Board was to acquire the site and building (C.K.Nayar High School) under the provisions of the L.A.Act, for which necessary proposals have already been called for from the Divisional Engineer (Highways), Palghat. As soon as the acquisition proposals are received necessary action will be taken, applying the emergency clause under Section 17 of the L.A.Act, to expedite the acquisition.

2. In view of the above facts, I request that the first instalment of special subsidy of Rs.25,000/- promised by Government during the current year, for improvements to the site and buildings may please be paid in to this District Board as soon as the acquisition proposals are sanctioned by the Board. A formal application will be submitted to you in due course with a copy of the resolution of the Board.

From the D.P.I., Roc.No.1020-D7/53 dated 12-1-54.

In G.O.Ms. No.1577, Edn., dated 6-6-51, the Govt. approved the proposal of the Dt. Board, Malabar, to take over the management of the National High School at Pattambi with effect from the school year 1951-52. With a view to enable the Dt. Board to meet the capital expenditure on improving the sheds and acquiring the site and playground for the School, sanction was accorded to the payment of a special subsidy not exceeding Rs.50,000/- in two annual instalments. The Dt.Board was asked to apply through the proper channel for the disbursement of the first instalment of the special subsidy during 1951-52.

2. The D.P.I. has now forwarded a letter from the S.O., Dt.Board, Malabar, asking for the disbursement in the current year of a sum of Rs.43,000/- towards the acquisition of the land and building required for the Bd. High School, Pattambi. The S.O. has explained ~~in his letter~~ as to why a claim was not preferred for the payment of the subsidy earlier. It is stated that the site on which the sheds of the National High School were constructed did not vest in the former management. The condition of the sheds was also not ~~quite~~ satisfactory the Dt.Board therefore took steps to acquire an alternate site with the buildings thereon for the school. It is now reported that the acquisition has reached the stage of award enquiry. The Dt. Board is required to deposit a sum of Rs.42,952/- towards the cost of the acquisition. As the Dt. Board is not in a position to meet the expenditure in the first instance and then claim the amount, the S.O. has asked for the disbursement of a

sum of Rs.43,000/- ~~from~~ with ref. to the special subsidy sanctioned in G.O.No.1577, Edn., dated 6-6-51. In the circumstances explained, the request of the Dt. Board may be complied with, as the high school is in need of buildings. A draft order is submitted below for approval. May be sent to Finance for acceptance.
